

REPLACEMENT BLADES

Speak to BOA for replacement blades.

Projectile Launch Kit

UC-EL-8

Over 80% of hydraulic failures are caused by contamination - Don't risk it!

These pneumatic projectile launchers, paired with SC-TCS projectiles clean hydraulic hose on the inside to avoid any particles left from the cutting process or storage from entering sensitive components and causing costly damage.

CONTENTS:

- Projectile Launch Gun
- Nozzles to suit 1/4" through to 1-1/4" hose
- Air line adaptor
- Lockable Case

Kits with nozzles to suit hose larger than 1-1/4" available on request.

Hose Assembly Accessories

Foam Bullets

Standard projectile material - Polyurethane.
